Work Experience

Web Developer
Freelancing on different platforms
December 2020 to this exact moment (5 **years**).
On various platforms such as Fiverr, Freelancer, Upwork.

- **Increased my knowledge by 60%** by creating as many webpages as I could, the websites that I make made a huge sale.
- **Maintained a user satisfaction rating of 100%** year over year by providing responsive tech support to clients
- **Boosted monthly productivity by 30%** by creating software to organize, track bugs, and add feature requests
- I believe I am able to achieve a **growth in team** efficiency by building and maintaining documentation sites using various programming languages
